One stamped 18KT white gold ladies hand assembled diamond ring with a split shank with a Rhodium plated finish. Condition is new. Ring size is about a seven. Twenty eight round brilliant cut diamonds are set in one of the split shank sections and twenty nine is set in the second split shank. The round brilliant cut diamonds are set in shared prongs and are located on the outer borders of the split shank sections. The inner part of the two split shank sections contain channel set baguette cut diamonds with one section holding nineteen and the second section holding eighteen. The bottom section of the ring shank is slightly twisted to enable the top of the ring shank to be split. Trademark is not clear. Identified with markings of "18K". Containing:

Fifty-seven prong set round brilliant cut diamonds, measuring 1.73 - 1.68 x 1.03mm (depth est.) approximate total weight of 57 Stones = 1.04ct. Diamonds were all graded while set in ring. Average estimated measurements were used to calculate the diamond weight by use of formulas. Color grade was estimated.
